I- RoundTable – Bottom-up.

I offer staff/ students equal participation.

II- Triple Bottom Line (3BL) In-out-in.

I have 3 holistic goals for myself, my students/ staff; which I/we continue to update.

III- TPO Thermostat – Top-down. As I manage my work & students/staff, I use 3 system modes

for optimal adjustment capacities:
OFF: Planning, windows/doors open;
 Note: Windows/doors closed in ON mode!
ON: Manual: Delivering resources;
ON: Auto: Keeping the environment optimal as people work independently.
